## FINANCIAL AID FOR SPECIAL SUPPORT EDUCATION IN 2023

Financial aid for special support education is provided to families with children going to a special class for children with physical or mental disabilities. “Annual income criteria for eligibility” is shown on “Request Concerning Survey and Application Procedures for Financial Aid for School Expenses” but families with a child going to a special class can apply for this aid even if their annual income is over the criteria shown.

Application procedures and benefits are the same as “Financial Aid for School Expenses”. This aid is only for children going to a special class not for their brothers and sisters going to a regular class.

**This aid is intended only to the families with children going to Himawari class in Fussa#1 elementary school, Kumagawa class in Fussa#2 elementary class, Kamenoko class in Fussa#6 elementary class, and 8<sup>th</sup> and 9<sup>th</sup> Class in Fussa#1 junior high school. The other classes like Japanese class and special support classes in each elementary school are not applicable.**
