

Fussa City

Sorting a list of trash and resources

September 2016

Fussa City Environment Department

Fussa city Sorting a list of trash and resources

※In principle, 50cm or more of the thing is Oversized waste.

※Difficult to Wash・・・Those that do not fall dirty even wash or It is a difficult thing to wash.

	Item	Materials and large magnitude	Sorting categories	How to dispose
A	Abacus	Wooden, Plastic	Combustible Waste	Use designated garbage bags(light blue)
	Abs Stand	Less than 50cm	Incombustible Waste	Use designated garbage bags(yellow)
		More than 50cm	Oversized Waste	Please apply(This is an another collect)
	Accessory	Metals	Metals	Place items in a container
		Plastic	Rigid Plastic Items	Use transparent or semitranceparent bags
		Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
	Accordion Curtain		Oversized Waste	Please apply(This is an another collect)
	Acrylic Plate	Less than 50cm	Rigid Plastic Items	Use transparent or semitranceparent bags
		More than 50cm	Oversized Waste	Please apply(This is an another collect)
	Adapter (Electrical Charger)	Metal, Plastic, etc. composite materials	Small Household Appliances	Use transparent or semitranceparent bags
	Adhesive Tape	Paper・Cloth・Nonrigid Plastic	Combustible Waste	Use designated garbage bags(light blue)
	Air Cleaner	Less than 50cm	Small Household Appliances	Use transparent or semitranceparent bags
		More than 50cm	Oversized Waste	Please apply(This is an another collect)
	Air Conditioning		Items That Cannot Collect	Please ask shop or waste disposal service
	Air Pump	Plastic	Rigid Plastic Items	Use transparent or semitranceparent bags
		Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
	Album	Paper part (Other than those of the adhesive)	Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
		Metal part	Metals	Place items in a container
		Paper・Nonrigid Plastic・Metals composite	Combustible Waste	Use designated garbage bags(light blue)
		Rigid Plastic Items・Metals composite	Incombustible Waste	Use designated garbage bags(yellow)
	Alkaline Battery		Household Hazardous Waste	Use transparent or semitranceparent bags
	Aluminum Coating Bags (Such as a bag of poultice)	Paper	Combustible Waste	Use designated garbage bags(light blue)
	Aluminum Foil		Combustible Waste	Use designated garbage bags(light blue)
	Aluminum Foil Box of Cutter Part	Paper	Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
		Metals	Metals	Place items in a container
	Aluminum Sash			Refer to Sash
	Amplifier (Stereo)	Less than 50cm	Small Household Appliances	Use transparent or semitranceparent bags
		More than 50cm	Oversized Waste	Please apply(This is an another collect)
	Animal Carcasses (Dogs, Cats, Pets, etc.)	More than 50cm	Dead Animals (Cat, Dog, Pet)	Please apply(This is an another collect)
	Anka		Incombustible Waste	Use designated garbage bags(yellow)
Electric type		Small Household Appliances	Use transparent or semitranceparent bags	
Antenna (Tv, Radio・Bs)	Less than 50cm	Metals	Place items in a container	
	More than 50cm	Oversized Waste	Please apply(This is an another collect)	

	Item	Materials and large magnitude		Sorting categories	How to dispose
A	Aquarium	Less than 50cm	Metals・Glass	Incombustible Waste	Use designated garbage bags(yellow)
			Plastic	Rigid Plastic Items	Use transparent or semitranceparent bags
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Armband	Cloth		Used Clothing and Fabric	Bundle with string in a criss-cross fashion
		Nonrigid Plastic		Combustible Waste	Use designated garbage bags(light blue)
	Artificial Flower			Combustible Waste	Use designated garbage bags(light blue)
	Artificial Turf	Less than 50cm		Combustible Waste	Use designated garbage bags(light blue)
	Ash			Combustible Waste	Use designated garbage bags(light blue)
	Ashtray	Metals		Metals	Place items in a container
		Plastic		Rigid Plastic Items	Use transparent or semitranceparent bags
		Other		Incombustible Waste	Use designated garbage bags(yellow)
	Astronomical Telescope	Less than 50cm		Incombustible Waste	Use designated garbage bags(yellow)
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Attache Case				Refer to Bag
	Audio Component	Less than 50cm		Small Hosehold Appliances	Use transparent or semitranceparent bags
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Audio Instrument	Less than 50cm		Small Hosehold Appliances	Use transparent or semitranceparent bags
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Audio Rack				Refer to Shelf
	Automobile			Items That Cannot Collect	Please ask shop or waste disposal service
B	Baby Bath	More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Baby Blanket			Oversized Waste	Please apply(This is an another collect)
	Baby Bottle (Except The Nipple)	Glass		Incombustible Waste	Use designated garbage bags(yellow)
		Plastic		Rigid Plastic Items	Use transparent or semitranceparent bags
	Baby Carriage	Less than 50cm		Incombustible Waste	Use designated garbage bags(yellow)
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Baby Chair	Less than 50cm		Incombustible Waste	Use designated garbage bags(yellow)
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Baby Gate	Less than 50cm	Metals	Metals	Place items in a container
			Wooden	Combustible Waste	Use designated garbage bags(light blue)
			Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Baby Rack (In A Chair and Cradle Made Things)			Oversized Waste	Please apply(This is an another collect)
	Bag	Less than 50cm	Leather・Nonrigid Plastic・Nylon	Combustible Waste	Use designated garbage bags(light blue)
			Other	Used Clothing and Fabric	Bundle with string in a criss-cross fashion
		More than 50cm		Oversized Waste	Please apply(This is an another collect)

Item	Materials and large magnitude		Sorting categories	How to dispose
B Bag of Bread	Vinyl		Plastic Containers and Packaging	Use trancepatrnt or semitransparent bags *Rinse out with water
Bags of Disposable Chopsticks	Paper		Magazins and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
	Vinyl		Plastic Containers and Packaging	Use transparent or semitranceparent bags
Bags of Disposable Diapers			Plastic Containers and Packaging	Use transparent or semitranceparent bags
Bag of Fertilizer	Vinyl		Plastic Containers and Packaging	Use trancepatrnt or semitransparent bags *Rinse out with water
		Difficult to wash	Combustible Waste	Use designated garbage bags(light blue)
Bag of Flour	Paper		Combustible Waste	Use designated garbage bags(light blue)
	Vinyl		Plastic Containers and Packaging	Use trancepatrnt or semitransparent bags *Rinse out with water
Bag of Miso	Vinyl		Plastic Containers and Packaging	Use trancepatrnt or semitransparent bags *Rinse out with water
		Difficult to wash	Combustible Waste	Use designated garbage bags(light blue)
Bag of Pocket Tissue	Vinyl		Plastic Containers and Packaging	Use transparent or semitranceparent bags
Bag of Rice Crackers	Vinyl		Plastic Containers and Packaging	Use trancepatrnt or semitransparent bags *Rinse out with water
Bag of Soil or The Like for Gardening	Vinyl		Plastic Containers and Packaging	Use trancepatrnt or semitransparent bags *Rinse out with water
		Difficult to wash	Combustible Waste	Use designated garbage bags(light blue)
Bag of Travel (Attachecase, Suitcase, etc.)	Less than 50cm	Leather・Nonrigid Plastic・Nylon	Combustible Waste	Use designated garbage bags(light blue)
		Other	Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Balance	Less than 50cm		Incombustible Waste	Use designated garbage bags(yellow)
	Less than 50cm and Electronic formula		Small Hosehold Appliances	Use transparent or semitranceparent bags
Ball	Leather・Rubber		Combustible Waste	Use designated garbage bags(light blue)
Balloon			Combustible Waste	Use designated garbage bags(light blue)
Ballpoint Pen			Incombustible Waste	Use designated garbage bags(yellow)
Bamboo Blind	Less than 50cm		Combustible Waste	Use designated garbage bags(light blue)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Band (Belt)			Combustible Waste	Use designated garbage bags(light blue)
Bandage	Cloth		Combustible Waste	Use designated garbage bags(light blue)
Barbecue Grill	Less than 50cm		Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Barbecue Stove	Less than 50cm		Metals	Place items in a container
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Barbell			Oversized Waste	Please apply(This is an another collect)
Barrel	Less than 50cm	Wooden	Combustible Waste	Use designated garbage bags(light blue)
		Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Baseball Ball			Combustible Waste	Use designated garbage bags(light blue)

Item	Materials and large magnitude	Sorting categories	How to dispose	
Baseball Bat	Less than 50cm	Metals	Metals	Place items in a container
		Wooden	Combustible Waste	Use designated garbage bags(light blue)
		Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Baseball Glove		Combustible Waste	Use designated garbage bags(light blue)	
Basket	Less than 50cm	Metals	Metals	Place items in a container
		Plastic	Rigid Plastic Items	Use transparent or semitranceparent bags
		Wooden	Combustible Waste	Use designated garbage bags(light blue)
		Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Bat	Less than 50cm	Metals	Metals	Place items in a container
		Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
		Wooden	Combustible Waste	Use designated garbage bags(light blue)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Bath Heater		Oversized Waste	Please apply(This is an another collect)	
Bath Mat			Refer to Mat	
Bathroom Rug			Refer to Mat	
Bathroom Scale			Refer to Weight scale	
Bathroom Vanity		Oversized Waste	Please apply(This is an another collect)	
Bathtub		Oversized Waste	Please apply(This is an another collect)	
Battery(Dry Cell etc.)	Rechargeable battery		Items That Cannot Collect	Please go with a rechargeable battery to cooperation shop
	Battery・Button battery		Household Hazardous Waste	Use transparent or semitranceparent bags
Battery(Car Battery etc.)		Items That Cannot Collect	Please ask shop or waste disposal service	
Beach Ball	Nonrigid Plastic	Combustible Waste	Use designated garbage bags(light blue)	
Beach Mat			Refer to Mat	
Beach Sandal		Combustible Waste	Use designated garbage bags(light blue)	
Beach Umbrella	Less than 50cm	Incombustible Waste	Use designated garbage bags(yellow)	
	More than 50cm	Oversized Waste	Please apply(This is an another collect)	
Bed(Frame)		Oversized Waste	Please apply(This is an another collect)	
Bed(Mat)		Oversized Waste	Please apply(This is an another collect)	
Beer Cans		Cans	Place items in a container *Rinse out with water	
Beer Case	Plastic		Please return to the dealer	
Beer Glass Bottles			Please return to the dealer	
Belt		Combustible Waste	Use designated garbage bags(light blue)	
Belt-type Massage Machine	Less than 50cm	Small Household Appliances	Use transparent or semitranceparent bags	
	More than 50cm		Oversized Waste	Please apply(This is an another collect)

Item	Materials and large magnitude	Sorting categories	How to dispose	
B Bench	More than 50cm	Oversized Waste	Please apply(This is an another collect)	
Bicycle		Oversized Waste	Please apply(This is an another collect)	
Bicycle Pump	Less than 50cm	Incombustible Waste	Use designated garbage bags(yellow)	
	More than 50cm	Oversized Waste	Please apply(This is an another collect)	
Bike		Items That Cannot Collect	Please ask shop or waste disposal service	
Bike Cover	Those cut to Less than 50cm	Combustible Waste	Use designated garbage bags(light blue)	
	More than 50cm	Oversized Waste	Please apply(This is an another collect)	
Binder	Paper part	Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion	
	Metal parts	Metals	Place items in a container	
	Nonrigid Plastic	Combustible Waste	Use designated garbage bags(light blue)	
Binoculars	Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)	
Bird Net	Less than 50cm	Combustible Waste	Use designated garbage bags(light blue)	
Birdcage	Less than 50cm	Metals	Place items in a container	
		Bamboo · Wooden	Combustible Waste	Use designated garbage bags(light blue)
		Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm	Oversized Waste	Please apply(This is an another collect)	
Blade Products		Metals	Place items in a container *Wrapped in paper or cloth, display the product name	
Blanco (A swing, for Home Use)		Oversized Waste	Please apply(This is an another collect)	
Blanket		Used Clothing and Fabric	Bundle with string in a criss-cross fashion	
Bleed Clothes(Not dirty)		Used Clothing and Fabric	Bundle with string in a criss-cross fashion	
Blind	Less than 50cm	Incombustible Waste	Use designated garbage bags(yellow)	
	More than 50cm	Oversized Waste	Please apply(This is an another collect)	
Block		Items That Cannot Collect	Please ask shop or waste disposal service	
Boiler		Items That Cannot Collect	Please ask shop or waste disposal service	
Bolt	Metals	Metals	Place items in a container	
Book		Magazines and Recyclable Paper	Bundle with string in a criss-cross fashion	
Book Cover	Paper	Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion	
	Cloth · Leather · Nonrigid Plastic	Combustible Waste	Use designated garbage bags(light blue)	
Bookshelf			Refer to Shelf	
Boom Box	Less than 50cm	Small Household Appliances	Use transparent or semitransparent bags	
	More than 50cm	Oversized Waste	Please apply(This is an another collect)	
Booster Cable		Small Household Appliances	Use transparent or semitransparent bags	
Boots	Leather	Combustible Waste	Use designated garbage bags(light blue)	
Boston Bag			Refer to Bag	
Bottle Opener	Metals	Metals	Place items in a container	

Item	Materials and large magnitude		Sorting categories	How to dispose
Bowl	Less than 50cm	Plastic	Rigid Plastic Items	Use transparent or semitransparent bags *Rinse out with water
		Metals	Metals	Place items in a container
		Wooden	Combustible Waste	Use designated garbage bags(light blue)
		Other (Unglazed)	Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Bowling Ball		Incombustible Waste	Use designated garbage bags(yellow)	
Box of Cigarettes	Outer Box (Paper)		Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
	Inner Silver Paper		Combustible Waste	Use designated garbage bags(light blue)
	Outer Film		Plastic Containers and Packaging	Use transparent or semitransparent bags
Box of Tissue Paper		Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion	
Box of Wrap	Paper		Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
	Metal parts		Metals	Place items in a container
Box-Bag of Soap	Paper		Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
	Vinyl		Plastic Containers and Packaging	Use transparent or semitransparent bags
Bra		Combustible Waste	Use designated garbage bags(light blue)	
Bracelet	Stone • Wooden		Combustible Waste	Use designated garbage bags(light blue)
	Metals		Metals	Place items in a container
Bran	Less than 50cm		Combustible Waste	Use designated garbage bags(light blue)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Branch Tree			Refer to Pruned Branches	
Brazier	Less than 50cm		Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Bread Machine	Less than 50cm		Small Household Appliances	Use transparent or semitransparent bags
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Brick		Items That Cannot Collect	Please ask shop or waste disposal service	
Broken Glass		Incombustible Waste	Use designated garbage bags(yellow) *Wrapped in paper or cloth, display the product name	
Broken Glass Bottle		Glass Bottles	Use transparent or semitransparent bags *Wrapped in paper or cloth, display the product name	
Broom	Less than 50cm	Wooden	Combustible Waste	Use designated garbage bags(light blue)
		Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Bs Antenna			Refer to Antenna	
Bs Tuner	Less than 50cm		Small Household Appliances	Use transparent or semitransparent bags
Bubble Bath Equipment	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Bucket	Less than 50cm	Metals	Metals	Place items in a container
		Plastic	Rigid Plastic Items	Use transparent or semitransparent bags
	More than 50cm		Oversized Waste	Please apply(This is an another collect)

	Item	Materials and large magnitude	Sorting categories	How to dispose
B	Buddhist Altar		Oversized Waste	Please apply(This is an another collect)
	Building Block	Wooden	Combustible Waste	Use designated garbage bags(light blue)
		Plastic	Rigid Plastic Items	Use transparent or semitranceparent bags
	Business Card		Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
	Business Card Holder	Leather・Nonrigid Plastic	Combustible Waste	Use designated garbage bags(light blue)
		Metals	Metals	Place items in a container
	Business for Office Equipment		Items That Cannot Collect	Please ask shop or waste disposal service
	Business Suit		Used Clothing and Fabric	Bundle with string in a criss-cross fashion
	Button	Metals	Metals	Place items in a container
		Plastic	Rigid Plastic Items	Use transparent or semitranceparent bags
		Wooden	Combustible Waste	Use designated garbage bags(light blue)
	Button Battery		Household Hazardous Waste	Use transparent or semitranceparent bags
	Button Battery-Filled Picture Book	Button battery	Household Hazardous Waste	Use transparent or semitranceparent bags
		Body (Synthetic resin)	Combustible Waste	Use designated garbage bags(light blue)
Butts(tobacco)		Combustible Waste	Use designated garbage bags(light blue)	
C	Cairo	Disposable	Combustible Waste	Use designated garbage bags(light blue)
		Metals	Metals	Place items in a container
	Cairo of The Outer Bag	Vinyl	Plastic Containers and Packaging	Use transparent or semitranceparent bags
	Calculator		Small Household Appliances	Use transparent or semitranceparent bags
	Calendar	Paper	Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
	Calligraphy Pen		Incombustible Waste	Use designated garbage bags(yellow)
	Camera	Digital	Small Household Appliances	Use transparent or semitranceparent bags
		Disposable	Combustible Waste	Use designated garbage bags(light blue)
	Candle		Combustible Waste	Use designated garbage bags(light blue)
	Cane(Stick)	More than 50cm	Oversized Waste	Please apply(This is an another collect)
	Can	Made of aluminum, steel	Cans	Place items in a container *Rinse out with water
	Cans Cutting Device	Metals	Metals	Place items in a container
	Cans of Juice	Aluminum, steel	Cans	Place items in a container *Rinse out with water
	Cans of Milk	Aluminum, steel	Cans	Place items in a container *Rinse out with water
	Cans of Milk powder	Aluminum, steel	Cans	Place items in a container *Rinse out with water
	Cans of Soft drink	Aluminum, steel	Cans	Place items in a container *Rinse out with water
	Cap of The Oil bottle	Metals	Cans	Place items in a container *Rinse out with water
		Plastic	Plastic Containers and Packaging	Use tranceparnt or semitransparent bags *Rinse out with water
	Car Cover	Those cut to Less than 50cm	Combustible Waste	Use designated garbage bags(light blue)
		More than 50cm	Oversized Waste	Please apply(This is an another collect)
	Car Navigation Equipment		Small Household Appliances	Use transparent or semitranceparent bags

Item	Materials and large magnitude		Sorting categories	How to dispose
Carbon Paper			Combustible Waste	Use designated garbage bags(light blue)
Carbonless Paper			Combustible Waste	Use designated garbage bags(light blue)
Card			Combustible Waste	Use designated garbage bags(light blue) *For personal information leakage prevention Turn off
Cardboard			Cardboard	Bundle with string in a criss-cross fashion
Carpet	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Carrier	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Carrier Bag	Paper		Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
	Leather		Combustible Waste	Use designated garbage bags(light blue)
	Cloth		Used Clothing and Fabric	Bundle with string in a criss-cross fashion
Carry Case	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Carts			Oversized Waste	Please apply(This is an another collect)
Cash Card	Plastic		Combustible Waste	Use designated garbage bags(light blue) *For personal information leakage prevention Turn off
Cassette Cylinder(Tabletop)			Household Hazardous Waste	Place items in a container *Use up the contents
Cassette Deck	Less than 50cm		Small Household Appliances	Use transparent or semitransparent bags
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Cassette Tape	Body		Combustible Waste	Use designated garbage bags(light blue)
	Case		Rigid Plastic Items	Use transparent or semitransparent bags
Cat Litter of Sand	Items sold		Combustible Waste	Use designated garbage bags(light blue)
Catalog Class			Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
CD	Body		Combustible Waste	Use designated garbage bags(light blue)
	Case		Rigid Plastic Items	Use transparent or semitransparent bags
CD Boom Box	Less than 50cm		Small Household Appliances	Use transparent or semitransparent bags
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
CD Player	Less than 50cm		Small Household Appliances	Use transparent or semitransparent bags
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Ceramic Heater	Less than 50cm		Small Household Appliances	Use transparent or semitransparent bags
	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Chain	Metals		Metals	Place items in a container
	Plastic		Rigid Plastic Items	Use transparent or semitransparent bags
Chain (Automotive tires)	Metals		Oversized Waste	Please apply(This is an another collect)
	Rubber	To less than 50cm That cut	Combustible Waste	Use designated garbage bags(light blue)
		More than 50cm	Oversized Waste	Please apply(This is an another collect)
	Plastic	To less than 50cm That cut	Incombustible Waste	Use designated garbage bags(yellow)
More than 50cm		Oversized Waste	Please apply(This is an another collect)	
Chain Saw	More than 50cm		Oversized Waste	Please apply(This is an another collect)
Chair			Oversized Waste	Please apply(This is an another collect)

	Item	Materials and large magnitude	Sorting categories	How to dispose	
C	Charcoal		Combustible Waste	Use designated garbage bags(light blue)	
	Charcoal Stove		Items That Cannot Collect	Please ask shop or waste disposal service	
	Charger(Adapter)	Metals・Plastic	Small Household Appliances	Use transparent or semitranceparent bags	
	Child Seat	Less than 50cm		Incombustible Waste	Use designated garbage bags(yellow)
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Chimney	More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Choke			Combustible Waste	Use designated garbage bags(light blue)
	Chopsticks	Metals		Metals	Place items in a container
		Plastic		Rigid Plastic Items	Use transparent or semitranceparent bags
		Wooden		Combustible Waste	Use designated garbage bags(light blue)
	Christmas Tree	Less than 50cm		Incombustible Waste	Use designated garbage bags(yellow)
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Cigarette Butts			Combustible Waste	Use designated garbage bags(light blue)
	Circulating Bath Water Heater (for 24 Hours Bath)	More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Cigarette Pipe Filter			Combustible Waste	Use designated garbage bags(light blue)
	Clay			Combustible Waste	Use designated garbage bags(light blue)
	Clean Box			Oversized Waste	Please apply(This is an another collect)
	Cleaning Plastic bag			Combustible Waste	Use designated garbage bags(light blue)
	Clear File			Combustible Waste	Use designated garbage bags(light blue)
	Clip	Metals		Metals	Place items in a container
	Clippers(Barber Equipment)	Metals		Metals	Place items in a container
		Plastic		Rigid Plastic Items	Use transparent or semitranceparent bags
		Metal, Plastic, etc. composite materials		Incombustible Waste	Use designated garbage bags(yellow)
		Electric type		Small Household Appliances	Use transparent or semitranceparent bags
	Clock	Less than 50cm		Small Household Appliances	Use transparent or semitranceparent bags
		More than 50cm		Oversized Waste	Please apply(This is an another collect)
	Cloth Diaper				Refer to Diapers
	Cloth Drier			Items That Cannot Collect	Please ask shop or waste disposal service
	Clothes	Cloth・Leather		Used Clothing and Fabric	Bundle with string in a criss-cross fashion *Rinse out with water
		Those dirty		Combustible Waste	Use designated garbage bags(light blue)
	Clothes Pins	Metals		Metals	Place items in a container
		Metal, Plastic, etc. composite materials		Incombustible Waste	Use designated garbage bags(yellow)
	Clothes Stand	Metal・Concrete		Oversized Waste	Please apply(This is an another collect) *That removing the concrete part
Clothing(Fabric)	Fiber		Used Clothing and Fabric	Bundle with string in a criss-cross fashion *Rinse out with water	

Item	Materials and large magnitude	Sorting categories	How to dispose
Coaster	Metals	Metals	Place items in a container
	Plastic	Rigid Plastic Items	Use transparent or semitransparent bags
	Cloth, Wooden	Combustible Waste	Use designated garbage bags(light blue)
	Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
Code(Electricity)		Small Household Appliances	Use transparent or semitransparent bags *Please bundle it
Coffee Maker		Small Household Appliances	Use transparent or semitransparent bags
Cold Air Machine (Home Appliance Recycling Law Outside The Target)	Less than 50cm	Small Household Appliances	Use transparent or semitransparent bags
	More than 50cm	Oversized Waste	Please apply(This is an another collect)
Cold Compresses	Nonrigid Plastic	Combustible Waste	Use designated garbage bags(light blue)
Collar	Leather	Combustible Waste	Use designated garbage bags(light blue)
	Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
Color Box	More than 50cm	Oversized Waste	Please apply(This is an another collect)
Colored Pencil	Wooden	Combustible Waste	Use designated garbage bags(light blue)
Comb	Metals	Metals	Place items in a container
	Bamboo · Wooden	Combustible Waste	Use designated garbage bags(light blue)
	Plastic	Rigid Plastic Items	Use transparent or semitransparent bags
Combi Rack	Those made in a chair or cradle	Oversized Waste	Please apply(This is an another collect)
Comic Books		Magazines and Recyclable Paper	Bundle with string in a criss-cross fashion
Compact	With mirror	Incombustible Waste	Use designated garbage bags(yellow)
	Without mirror	Plastic Containers and Packaging	Use transparent or semitransparent bags *Rinse out with water
		Difficult to wash	Combustible Waste
Compact Fluorescent Light Bulbs		Household Hazardous Waste	Use transparent or semitransparent bags
Compacted Edible Oil		Combustible Waste	Use designated garbage bags(light blue)
Compass	Metals	Metals	Place items in a container
	Metal, Plastic, etc. composite materials	Incombustible Waste	Use designated garbage bags(yellow)
Composter		Oversized Waste	Please apply(This is an another collect)
Computer (Including The Display)		Items That Cannot Collect	Manufacturer, dealer or to the Institute PC 3R Promotion Association (TEL03-5082-7685 http://www.pc3r.jp) *only Japanese speak
Concrete		Items That Cannot Collect	Please ask shop or waste disposal service
Condom		Combustible Waste	Use designated garbage bags(light blue)
Confectionery Bag	Paper	Magazines and Recyclable Paper	Place in a paper bag, or Bundle with string in a criss-cross fashion
	Paper (Coated)	Combustible Waste	Use designated garbage bags(light blue)
	Vinyl · Plastic	Plastic Containers and Packaging	Use transparent or semitransparent bags *Rinse out with water
		Difficult to wash	Combustible Waste
